DWA_04.3 Knowledge Check_DWA4

_____

1. Select three rules from the Airbnb Style Guide that you find **useful** and explain why.

Consistent Formatting: Consistency in formatting helps create a visually cohesive and professional-looking document or codebase. This rule emphasizes using a consistent style for indentation, spacing, naming conventions, and other formatting aspects.

Clear and Descriptive Naming: Choosing meaningful and descriptive names for variables, functions, [-classes, and other elements is crucial for code readability.

DRY(Don't repeat yourself principle)The DRY principle advocates for avoiding code duplication by abstracting common functionality into reusable components or functions

_____

2. Select three rules from the Airbnb Style Guide that you find **confusing** and explain why.

Use prototype instead of calling object methods directly (3.7). Use higher-order functions instead of old-school loops (11.1). Use /**/ for multi-line comments (18.1). When you decide a comment is necessary, make sure it's easy to read

_____
